

TIDE LINES

Hospitality, Catering and Accommodation Rider 2018

Overview

The contents of this document form an integral part of the contract unless otherwise agreed. Please sign and return. If changes have been agreed, please delete/amend as is appropriate, sign and return.

Touring Party

The Tide Lines touring party consists of 5 people including 4 band members and a FOH engineer.

The Band Members are:

Robert Robertson – lead vocals, guitar

Ross Wilson – keys and piano

Fergus Munro – drums

Alasdair Turner – guitar, whistle and bagpipes

Ross Morgan – FOH engineer

If there is any change to the touring personnel, we will inform you as soon as possible.

Hospitality and Catering Rider

Please provide a separate, lockable dressing room with full length mirror and enough space to comfortably seat 6 people with the bands instruments.

At least 4 functioning power points are required.

It would also be appreciated if a second, smaller room were available (away from the stage), to allow for the uninterrupted tuning of the bagpipes. This can take up to 30 minutes, at both sound check and prior to the performance, and so the room should be such a distance from the stage that sound does not leak (pipes are loud!).

To be placed in the dressing room and made available to the touring party from the agreed load in time:

1 Electric kettle, working with plug.

A selection of coffees and teas, including peppermint tea (very important).

6 Cups or mugs, clean and ready to use.

1 Pint of unopened fresh milk.

6 Clean teaspoons.

Fresh fruit including apples, bananas, oranges and strawberries.

20 x 330ml bottles of still spring water (plastic for stage use)

1 dozen sandwiches (including vegetarian option)

Food – 5 hot meals, no fast food please. As an alternative to providing a hot meal a buyout of 5x £15 would be appreciated. When playing festivals meal tokens are also acceptable.

Dietary Requirements

Robert Robertson cannot eat beef or have any lactose in his food whatsoever.

Fergus Munro requires a vegetarian option.

Hotels – Where hotels have been agreed as part of the deal please provide 5 single hotel rooms or, preferably, 5 double rooms for single occupancy in a hotel of 3-star rating or greater. 2 twin rooms and 1 double room for single occupancy are sufficient at a push.

Please make sure the hotel is within reasonable walking distance of the venue or festival and that breakfast (preferably cooked) is included as part of the room.
